

## Student Time to Graduation

For Istanbul Bilgi University the ability of its students to graduate is also an indicator of student success. Thus, the tracking of graduation rates and time to graduation are made. In these analyses, to prevent any student group from becoming disadvantaged, reporting and tracking is done for various segments.

Graduation Rates for different academic year starters by degree can be found below.

Program Start Academic Year*	Degree Type	Graduation Rate*
2012	Associate	90.53
2012	Bachelor	88.80
