From the very beginning, İstanbul Bilgi University established itself as a university committed to internationalization. Today, BİLGİ has over 450 active partnerships across the globe, making it one of the leading universities for international programs in Türkiye. The International Office continues its efforts to support BİLGİ students in reaching all corners of the world while also welcoming students from around the globe.

Our mission at the İstanbul Bilgi University International Office is to support our students and graduates in exploring their life purpose and to guide them throughout this journey; to provide them with national and international resources during their personal and professional development; and to help them realize their full potential.

### **International BİLGİ Erasmus**

**Study Mobility:** Exchange opportunities with more than 450 partner universities in over 40 countries

**Internship Mobility:** The chance to gain professional experience in Europe in a field related to the student's area of study

### **Bilateral Exchange Programs**

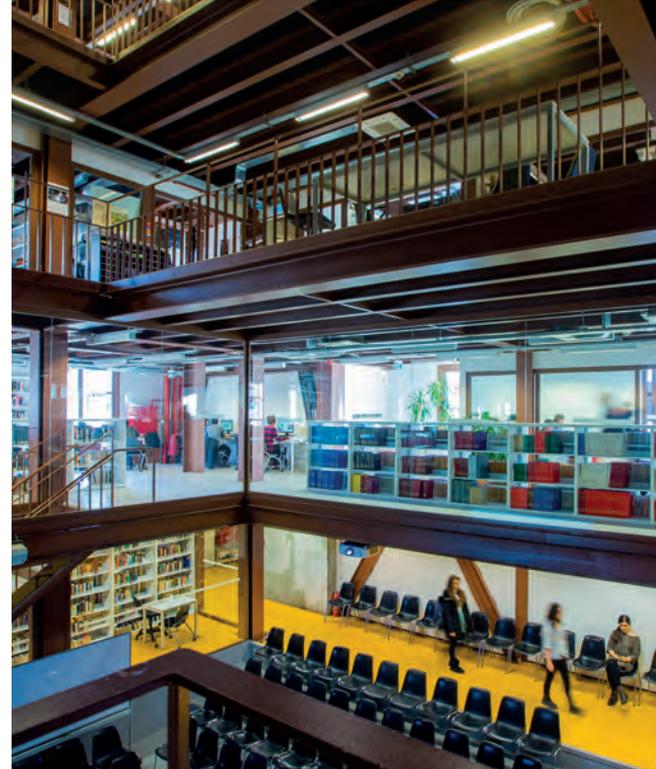

The Bilateral Agreements Office acts as a bridge between İstanbul Bilgi University and prestigious partner universities across Europe, North and Latin America, Asia, and the Middle East, offering students a wide range of study abroad exchange opportunities.

### **Summer / Winter Schools**

Students have the opportunity to participate in short-term summer and winter programs offered by partner institutions in various countries, combining academic learning with cultural experience.

### **Prep Abroad Programs**

Students enrolled in the English Preparatory Program at İstanbul Bilgi University can complete part of their academic English education at partner universities in the United States and Canada.

# UNDERGRADUATE ADMISSIONS

International students from all over the world can apply to become a student at İstanbul Bilgi University with their high school graduation certificates or internationally recognized exam results such as SAT, ACT, GCE A LEVEL, Abitur, Matura and Tawjihi.

More information is available for prospective students at the International Admissions Department.

**Prospective international students should submit their application as follows:**

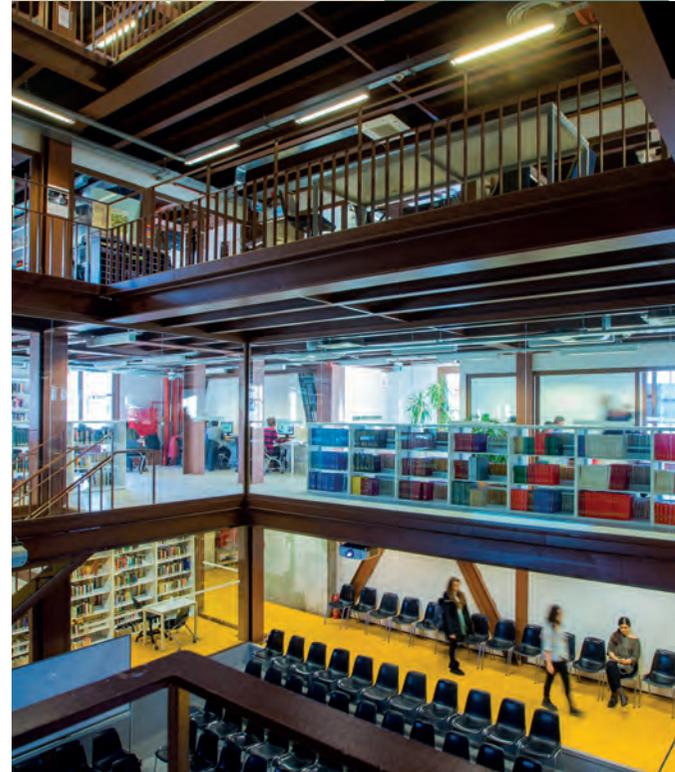

- The student should fill in the International Student Online Application Form.
- The student should forward scanned copies of the following required documents to the International Student Admissions Office.

**The required documents for undergraduate applications are:**

- Photocopy of high school diploma (with the official transcript)
